MAKE IT AN NATURE AWAY DAY

The Meeting Place is based at Trafford Ecology Park, a green space managed by not-for-profit organisation Groundwork Greater Manchester who rely on corporate partners to help maintain its status as a Site of Biological Importance.

A Nature Away Day at Trafford Ecology Park is a great way for your business to showcase its commitment to the environment and demonstrate social value.

You can complete a full or half day event where colleagues complete a range of tasks designed to connect them with their colleagues and improve their understanding of the value of biodiversity.

Tasks include habitat restoration, woodland management and tree identification.

“ It’s satisfying seeing the difference we’ve made.
One day makes a big difference. ”
